MADE IN  
AUSTRIA

SAFE AND HEALTHY BABY SLEEP

**SWEET DREAMS**

” WE DEVELOP AND  
PRODUCE OUR  
**BABY AND  
CHILDREN’S  
PRODUCTS**  
AS IF THEY WERE FOR  
OUR OWN CHILDREN. “

Gabi and Hannes Nösslböck

Prolonged use and  
adjustable sizes

Sustainable and  
climate neutral

Certified safety –  
designed for babies

**CLIMATE NEUTRAL**  
COMPANY  
certified by [climatepartner.com](https://www.climatepartner.com)

### **Ventilation as a safety factor**

Highly breathable materials like the ones used by Träumeland help **to significantly reduce** the risk of suffocation in baby beds and prevent sweating.

# THE BREATHING MATTRESS

OUR AREA OF SPECIAL EXPERTISE

*to the mattress  
guide*

Ventilation in  
the mattress  
core

Air permeable  
mattress covers

Optimal support  
for the spine

Healthy development  
of the head

Free breathing even when  
lying on the stomach

Temperature regulation  
Prevention of sweating

**MADE IN  
AUSTRIA**

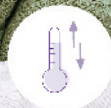

## DESIGNED AND MADE IN AUSTRIA

We only want the best for babies and rely on high-quality and strictly tested materials. It is particularly important to us that the mattress can breathe. Therefore, when developing new products, we focus primarily on ventilation systems and the prevention of heat build-up. We are extremely proud that all of our mattresses are 100% produced at our site in Upper Austria, which is how we guarantee consistently high quality.

With  
ventilation slits

Protects against  
overheating,  
best alternative to blankets
